

I the undersigned, as owner of the property located at:

---

grants permission to Bresnan Communications to install, operate and permanently maintain cable services in the premises owned by the undersigned. This permission is subject to the following terms and conditions:

1. That the owner assumes no liability for or the responsibility for service charges contracted for by tenants.
2. That the owner assumes no liability for the line or its function.
3. The owner shall provide without charge to Bresnan Communications adequate space and electricity, and the right of access for installation, maintenance, sales and disconnection for the CATV system.
4. That Bresnan Communications agrees to repair and/or replace any damage to owner's property resulting from installation.
5. That neither the owner nor anyone operating in his behalf will tap or otherwise interfere with the broadband distribution lines for any purpose or purposes other than those prescribed by Bresnan Communications.
6. Permission granted by owner will terminate if Bresnan Communications fails to provide CATV services to tenants or Bresnan Communications thereafter ceases providing such services to premises when it ceases to provide services. (Bresnan Communications shall not be required to provide services to any tenant who fails to make timely payment for services.)
7. Bresnan Communications shall not have any liability to owner or any other person with respect to any failure of Bresnan Communications to transmit any television service to any tenant if such failure is due to any failure of equipment of others, any action or claim by a third party, any labor dispute, fire, flood, legal enactment, government regulation, non-delivery of program suppliers, Act of God, or any cause beyond the reasonable control of Bresnan Communications.
8. The parties hereby agree that they and their successors and assigns shall be bound by the terms of this agreement.
9. Bresnan Communications is able to drill from the inside of the home to the outside for the availability of cable outlets.
10. Bresnan Communications is able to firmly attach any necessary cable lines to the outside of the home in a safe and secure manner.
